Nuisance motor vehicles/scooters

Members of the community have repeatedly reported nuisance vehicles within Kennington and there will be continued high visibility patrol within the areas affected. Action has been taken against anyone causing anti-social behaviour. Most recently a Male was stopped on an electrical scooter which resulted in it being confiscated. It will be destroyed.

Electric scooters are illegal to ride on a public area, without the relevant insurance and a driving licence.

If you are suffering from anti-social behaviour, then do not hesitate to report this to us on 101 or 999.

A stolen motorbike was recovered in the Kennington area and enquiries are currently ongoing to identify the suspects. We would like to thank the members of the public that phoned us to report an abandoned bike as we were able to safely recover it and return it to its rightful owner.
